

ADVANCING PLANT HEALTH IN A CHANGING WORLD

SPONSORS GOLD LEVEL

SILVER LEVEL

PLENARY SPEAKERS

Dr. Eric Tedford - Fungicide Technical Product Lead for Syngenta, North Carolina.
"Changing view on fungicides: Are they no longer just for fungal disease control?"

Dr. Roger Day - Deputy Director, CABI, Nairobi, Kenya.
"Advancing IPM in Africa - Challenges and Opportunities"

PANEL DISCUSSION

IPM and Plant Health - What's the Fit?

Join the plenary speakers along with Dr. Craig Drury (AAFC - Harrow) and Dr. Crystel Olivier (AAFC - Saskatoon) to discuss how we can better protect agricultural crops by improving surveillance networks and supporting sustainable integrated pest management programs.

Additional Speakers:

Dr. Craig Drury, Agriculture and Agri-Food Canada - Harrow
Dr. Crystel Olivier, Agriculture and Agri-Food Canada - Saskatoon

Student Competitions:

- Crop Life Canada - Ontario Region graduate student poster and paper competition
- Dr. C.R. Harris undergraduate student poster competition
