## Covid-19 Regulations Covid Protocols for Arriving, Playing, and After Your Round

**Self-Screening:** We ask that golfers self-screen before coming to the facility. We recommend using the Government of Ontario Online Screening site [Coronavirus \(COVID-19\) self-assessment \(ontario.ca\)](https://www.ontario.ca/covid)

**Arriving:** Golfers are asked to arrive No More Than 30 minutes prior to their tee time. Those who arrive before this will be asked to remain in their vehicles and will not be permitted to use the practice areas.

**Upon Arrival:** a staff member acting as a Greeter will be in the bag drop area. Approach this staff member, inform them of your name and tee time, and they will provide you with a power cart to drive to your vehicle to load up your clubs.

**20 Minutes before your tee time:** The Greeter will send you to the driving range area for you to warm up and hit balls for approximately 10 minutes.

**10 minutes before your tee time:** The Greeter will send you to the Starter. Here the Starter will inform you of the rules of the course that day and then send you into the Pro Shop to pay for your round. Once everyone in your group has paid, and the tee is available, the Starter will send you to the course.

**After Your Round:** We require that once you have finished your round and unpacked your clubs, that you leave the premises. We will not allow groups to congregate in the parking lot.

**Masks and Safety:** By order of the Niagara Public Health Authority, all golfers riding in the same cart who are not from the same household will be required to wear masks on the golf course while riding in the cart together.

**Masks on Property:** Golfers will be expected to wear masks at all times on the property before they enter the course to play, and especially when interacting with our staff members.

**Clubhouse Access:** The Clubhouse will only be available for use of washrooms and while checking in for your tee time.

We look forward to hosting you and hope you enjoy your experience with us. However, we do ask all customers to be respectful of health and safety laws and policies in place as we enforce such policies with the health and safety of our staff and customers in mind.

Thank you,  
Peninsula Lakes Management
