THE SUSTAINABLE CHOICE

2()24 **CANADIAN GREENHOUSE GROWERS' DIRECTORY** & BUYERS' GUIDE

Flowers Canada Growers Inc. is pleased to present the 2024 edition of the Canadian Greenhouse Growers' Directory & Buyers' Guide. This Directory is designed to help you source Canadian flowers, plants, services, and products from a wide array of flower growers, wholesalers, wholesale distribution centres, and service companies located across Canada.

In this 31st edition of the Directory, the tools listed below will help you to find the right service you need faster than ever.

Regional Listings – Canadian growers and wholesalers are listed in geographical sections: British Columbia, Ontario, and Atlantic Regions.

Export Logo – Companies exporting to the USA are clearly identified with the dual flag.

Alphabetical Indexes – Preceding the listings, indexes will help you quickly find company names listed in alphabetical order along with the page numbers of their listing location.

- Visual Product Indexes We've done our best to improve the Product Index by cross-referencing all floral products, supplies and services listed by each company in the back of the Directory. For your convenience, each category contains the name of the company supplying that product or service, their province, and the page number of their listing.
- **Tagged Maps** Beginning on page 42, you will find nine pages of maps showing the geographical location of each of the Canadian growers listed in the directory. The maps are intended to be used as a quide in locating these listings, and are not claimed to be absolute in their accuracy.

Flowers Canada Growers Inc. gratefully acknowledges the funding support of Agriculture and Agri-Food Canada through the Canadian Agricultural Partnership and the participants in this directory.

Canada

of Agriculture and Agri-Foo

Welcome to the 2024 Canadian Greenhouse Growers' Directory and Buyers' Guide! Thank you to Flowers Canada Growers (FCG) for your excellent work in producing this invaluable sales tool each year and for your support and advocacy for the sector.

For nearly six decades, the FCG has become the national voice of Canada's floral industry, driving Canada's economy with over \$1.98 billion in sales, over 14,000 jobs, and almost \$800 million in exports—a 45 percent increase over the past two years.

Every day of the year, Canada's world class growers produce high-quality flowers, and always with an eye to the latest and emerging trends. Those flowers make our homes, places of work and special occasions bright and beautiful. At the same time, our growers are doing a great job helping to protect the planet by making climate-smart investments for their fields and greenhouses, and they are always ready to adopt new technologies to reduce their environmental impact, such as biological control strategies and efficient use of resources.

Exciting opportunities lie ahead for Canada's floriculture sector, and by working together, we can keep the industry blooming!

PRODUCT/SERVICE: Bradford Greenhouses is a Canadian success story. Its remarkable journey began with Francis Ferragine establishing a greenhouse business in Bradford in 1961. By 1975, the family's retail venture emerged along Hwy 11, and this growth continued and expanded with the unveiling of its flagship retail store in Barrie in 1993. Presently, Bradford Greenhouses Limited holds a prominent position as one of Central Ontario's premier greenhouse growers and retailers. The company extends its reach by offering a wide array of plugs and rooted liners to independent growers and farmers throughout Canada. A comprehensive selection of retail-ready live plants for every season is a hallmark of Bradford Greenhouses Limited. This ready-to-display assortment encompasses packs and flats, hanging baskets, custom planters, summer instant annuals, fall mums, as well as an extensive array of accessories, furniture, and home goods. At the heart of our operations lies a commitment to efficiency and technological advancement, positioning our company as one of the most sophisticated greenhouse operations in Canada. Bradford Greenhouses Limited is not only a fixture in the industry but also a trailblazer, consistently dedicating resources to research and investment in innovative practices within greenhouse cultivation and gardening. This long-standing commitment ensures that we are well-equipped to serve our customers with excellence for years to come.

PRODUCT/SERVICE: Bradford Greenhouses is a Canadian success story. Its remarkable journey began with Francis Ferragine establishing a greenhouse business in Bradford in 1961. By 1975, the family's retail venture emerged along Hwy 11, and this growth continued and expanded with the unveiling of its flagship retail store in Barrie in 1993. Presently, Bradford Greenhouses Limited holds a prominent position as one of Central Ontario's premier greenhouse growers and retailers. The company extends its reach by offering a wide array of plugs and rooted liners to independent growers and farmers throughout Canada. A comprehensive selection of retail-ready live plants for every season is a hallmark of Bradford Greenhouses Limited. This ready-to-display assortment encompasses packs and flats, hanging baskets, custom planters, summer instant annuals, fall mums, as well as an extensive array of accessories, furniture, and home goods. At the heart of our operations lies a commitment to efficiency and technological advancement, positioning our company as one of the most sophisticated greenhouse operations in Canada. Bradford Greenhouses Limited is not only a fixture in the industry but also a trailblazer, consistently dedicating resources to research and investment in innovative practices within greenhouse cultivation and gardening. This long-standing commitment ensures that we are well-equipped to serve our customers with excellence for years to come.

premium grade Phalaenopsis Orchids. We stand out with regards to larger bloom sizes, increased bloom counts, as well as the alwayschanging unique variety of colors made available! Our top two bestsellers are the Waterfall Orchids and the 4" Delight Orchids. The Waterfall Orchid sorting process is strict in the way that only the biggest and best plants are selected for the handcrafted bending procedure to create this masterpiece. Our Waterfalls come in all different natural, non-dyed colours, thus returning in bloom the same beautiful colour year after year! The second best seller, 4" Delight Orchids, are the perfect grab-and-go item for impulse purchases in your stores. Cute, substantial, and suitable for all sizes of space. Another special service we offer is our Orchid Arrangements and Orchid Dish Gardens, please feel free to visit our website for all the different planters we offer. COHA-ACHO's vision is to represent Canada's vibrant and flourishing ornamental horticulture value chain at the national level passionately and effectively.

www.coha-acho.ca

COHA-ACHO's mission is:

- To ensure that governments are well informed about the economic and environmental importance of ornamental horticulture as an integral part of Canadian agriculture.
- To obtain government recognition for the value that our plant products and services provide as solutions for society.
- To lead research and innovation for our sector in collaboration with government.

COHA is a strategic alliance of three organizations:

- Canadian Nursery Landscape Association (CNLA)
- Flowers Canada Growers Inc. (FCG)
- Ouébec Vert

The Ontario Greenhouse Alliance (TOGA) works for the common interests of vegetable and floral greenhouse farmers in Ontario. By providing current information and analysis on sector trends and issues, TOGA contributes to the development of public policy in collaboration with governments.

TOGA seeks outcomes that enable Ontario greenhouse growers to be globally competitive and profitable while contributing to a healthy society.

Did you know? The Ontario greenhouse sector:

- Contributes over \$3.2 billion to Ontario's economy each year
- Employs over 46,000 workers in greenhouses and associated packing facilities
- Generates exports exceeding \$1.2 billion

www.theontariogreenhousealliance.com

- Representing over 325 growers, generating over \$1.98 BILLION in farm gate sales
- Collaboratively working with all levels of government to establish partnerships and create a national voice for floriculture
- **\$** FCG has the support of numerous associate members who offer our grower members an array of supplies and services to help the floriculture sector stay competitive in a global market place.
- Continually bringing new (and retaining) existing) pest management tools to ornamental farmers

The membership that keeps on growing

FCG's mission is to build partnerships and relationships that encourage business success for Canadian flower farmers.

www.flowerscanadagrowers.com

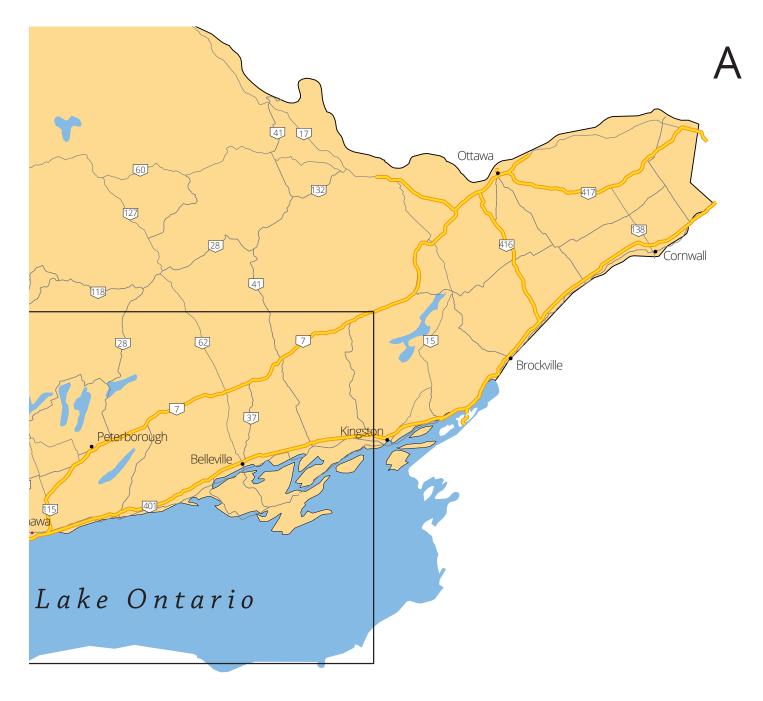

For more info, please email: flowers@fco.ca or call 1-800-730-1020 or 519-836-5495.

BEING A MEMBER HAS ITS BENEFITS! FCG WORKS FOR YOU:

GROWERS

- Helping address export challenges by working closely with both grower members and the **Canadian Food Inspection Agency**
- Funding floriculture research aimed at helping flower growers
- Helping growers access government programs and funding to benefit their business
- Offering a competitive health insurance program available to growers and employees through People Corporation
 - Thousands of dollars available in savings through industry partnerships

PRODUCT/SERVICE: GGS is a world-class designer, manufacturer, and installer of commercial greenhouse structures since 1979 and our greenhouses are built to last. Here are the ways GGS can create an optimal growing environment for your plants. When we design greenhouse structures, our first priority at GGS is to ensure the quality of the plant environment. Creating an environment that fosters the growth of plants & protects them from the elements should be the primary function of any greenhouse, after all. The following are a few types of greenhouse structures that we design, manufacture & build: Gutter Connected Structures (Curved Glass/A-Frame/Poly Covered/Venlo)/ Retail Garden Centres/ Freestanding Greenhouses/ Coldframes/ Shade Structures. Whether you select one of our standard commercial greenhouse structures, or require a customized greenhouse design, the GGS team provides all the support you require. Now, you've got your structure needs taken care, labour is always a struggle. GGS Benches are an easy way to increase productivity. Single level rolling benches help you maximize your grow space while keeping your crop at an ergonomic working level. These benches snap together for easy assembly and can be covered with Ebb & Flood Trays, Expanded Metal, or Irrigation Troughs. If that still doesn't provide enough canopy for your needs, our recent merger with PIPP Horticulture allows us to exponentially increase your canopy space with 3 or more levels of growing. Providing Structures, Benches, Lighting, and all ancillary items you need.
